Profile

By experience I acquired lots of skills in several business like : IT Developer, System Administrator or Network Engineer. Now my goal is to specialise myself in IT infrastructure : *installation*, *exploitation*, *supervision*, *support* and particularly *sizing*.

Education & Training

2015 : Master of Science in Computer Engineer and Network (French Engineer) *at* ESIPE
Achievements : - transbubbles : Web plate-forme used to translate Comics online.
      - dmchecker : Project to apply unit test "JUnit" on Java sources.
      - docmycode : Equivalent of "Doxygen" implemented in C for C sources.

2011-2012 : Master of Science in Computer Engineer (French Engineer) *at* UTBM
Left before the end to prioritise professional experience with apprenticeship training.
Achievements : - Implementing a heuristic algorithm.

2011 : Two years technical degree in Computer Sciences *at* IUT in Belfort
Achievements : - TZAAR : TZAAR plate-forme game adaptation in Java.
      - Cryptography algorithm implementation in Python(RSA, ElGamal, ...).

Work Experience
